Time Brings Dreams

There is nothing so precious as time. We all know this, but we feel it even deeper now, as we are one year further into our lives.

Time, according to the moment in which it's lived, means many different things to many students. To the eighth graders it is a time for entering high school.

To the ninth graders it is a time for finally having a name for themselves, freshman.

To the sophomores, time itself holds their dreams of the future along with the knowledge that they must work to gain them.

To the Juniors, it is pushing one high school year into the past and pulling another one forward, with their mistakes making a pyramid to a better future. In the distance we can hear the footsteps of the many students who will pass through the doors of Eastern Academy.

Time is the most valuable thing a student can spend. We shall see through the pages of this book how we have spent our time during this, the year of 1970 and 1971.

We the students of Eastern Academy, dedicate this 1971 edition of "The Constitution" to our beloved friend, Mrs. Leonna Tatlow. Therein lies her love and friendship to all. She is always willing to help when she can be of assistance. She devoted her time to The Yearbook and the Newspaper staff, the Jr. Class as a sponsor, and to the Drill Team. Ones like Mrs. Tatlow come few and far between. She lifts spirits and gives assurance.

Other schools or work may claim her. Their gain will be our loss, but wherever she goes, whatever she does, our love and thoughts will follow her.

Mrs. Mayes

Their Time Belonged To You

Mr. Gray Edwards

Time has played an important part in the skillful leadership of Mr. Gray Edwards.

He has become a very strong part in the building of Eastern Academy.

Although his duties kept him busy enough, Mr. Edwards has often helped the students with their problems.

Mr. Edwards attended almost all of the school activities.

Mrs. P. C. Johnson

Mrs. P. C. Johnson has been a great help to Eastern Academy and Mr. Edwards.

She has a very important job in the office. Her duties include keeping records, taking care of tuition, and the clerical and financial records of the school.

Mrs. Mayes assists Mrs. Johnson with these duties.

Elaine Boyette

Good counseling requires a lot of time. That is why Mrs. Boyette is such an excellent counselor.

She taught for several years in San Antonio, Texas, and has been a counselor for Adult Education in the Norfolk City School System.

She has her B. S. in Ed. from Southwest Texas State University and her M. S. in Ed. from Old Dominion University.

Through her warm personality Mrs. Boyette has gained respect and love from every student at Eastern Academy.

Time For Advice

Mrs. Chitty

Mrs. Boyette is very capably assisted in her duties by Mrs. Chitty who devotes many hours to her job.

Ready To Serve

The cafeteria staff at Eastern has prepared lunches for the students throughout this year.

Consisting of parent volunteers, the staff under the direction of Mrs. Emma Heiman, has also helped to keep the lunchroom clean and orderly. A big "THANK YOU" goes to the following workers: Mrs. Heiman, Gladys Ivory, Jean Cook, Christine Berryman, Lucille Alexander, Don, Mary Ann Hanley, Dorothy Lawless, Hazel Weeks, June Thomasson, Edna DeLaney, and Ann Dobson.

A Time For Traditions

The Juniors, as they come to the end of the year, feel that time has passed too swiftly. Looking back on this past year, they find it a year of memories.

It was a year for starting traditions that hopefully will be carried on by the future classes. The challenge of designing their own class rings and working towards the final goal of the Ring Dance really made it "A Time For Us".

The pride they felt for the Athletic Program was heightened by the fact that it was their first year.

Helping to organize and being a part of a cheerleading squad and Drill Team was a joy in helping to build the spirit of the school that will be increased as the years go by.

An eventful Junior Week brought Eastern Academy's first year to a close . . . the die is cast.

TIME GOES BY

Time goes by very quickly when you were as busy as the Sophomore class of Eastern Academy has been.

Looking back on their Sophomore year, they find it a year of memories, the exciting Sadie Hawkins Dance, the Valentine's Dance and the many athletes in the class who helped make up the basketball, baseball, and track teams.

As they look ahead to their junior year, they resolve that the banner of Green and White will be held high and will inspire them to greater efforts.

The Freshmen can stop and look back on a year that was chucked full of activity and exciting events.

Do you remember how backward they were in cheering at the pep assemblies?

Soon, with encouragement from their upper classmen, they overcame their shyness and yelled as loud as anyone.

With these memories, the class of 1974 may look forward to their remaining years at E. A.

Editor-in-Chief

"A job well done" is the phrase much deserved by the Constitution staff. This memory book of all the important events and of all the students has been published to bring back old and dear memories of the 1970-71 school year. The students can look forward to next year's Constitution and we hope you will protect and cherish our first.

Much effort has been put forth to make this yearbook outstanding. One can truly say that this goal has been reached under the guidance of Mrs. L. S. Tatlow and the direction of the yearbook editor, Johnnie Terry.

The hard work and determination of Mrs. Tatlow has made Eastern's Drill Team one of the best and most unusual squads. Performing during half time at games, they are one of the few teams that perform without a band. Adding to school spirit, the teams unique routines have entertained many audiences. Their team feeling for Eastern held by the majority of Rebels. Without the Drill Team, half time would be just another break in the game.

Teamwork builds experience which in turn makes for a winning team.

Our Rebels' team has helped to build up School Spirit.

Coach Tom Overstreet led the Varsity squad into winning two trophies in the Christmas tournaments. Eastern came in fourth place at the first tournament which was held in Petersburg and placed second in the other tournament which the Rebels sponsored.

Junior Johnson, 6'4", made the All Star team in the Petersburg tournament and was awarded a trophy. He was a high scorer all season and even managed to get 31 rebounds in a single game.

SADIE HAWKINS DANCE

The Sophomore

The sophomore Class sponsored the Sadie Hawkins Dance on November 21, 1970. The band was "The Back Doors". Those who attended were asked to wear costumes. The more unusual, the better!

HALLOWEEN DANCE

The S.C.A. sponsored a Halloween dance on October 30, 1970. The band was the "Dynamic Depressions". The room was decorated ty the art club! THANK YOU ART CLUB!

“A Time For Us”

"A Time For Us" was the theme for the first Ring Dance to be held at Eastern Academy. The gym was transformed into a medieval castle, under the supervision of Mrs. Linda Ligart and David Erickson. Decorations included coat-of-arms banners, traditional sun-dials and the typical palace balcony. Junior Class President Terry Cook, was the first student to receive her ring, presented by Mrs. Boyette. Music was provided by "The American Renaissance."

Sandy Nix was an outstanding sixteen year old. She came to us from Norview Jr. High School.

She liked crowds, was fun to be with, was popular with both boys and girls and took up for others.

"She was one of the nicest girls I've ever known; she thought of everybody, not herself!" said Cathy Bunch.

Debbie Redfield said, "If you knew her you couldn't help

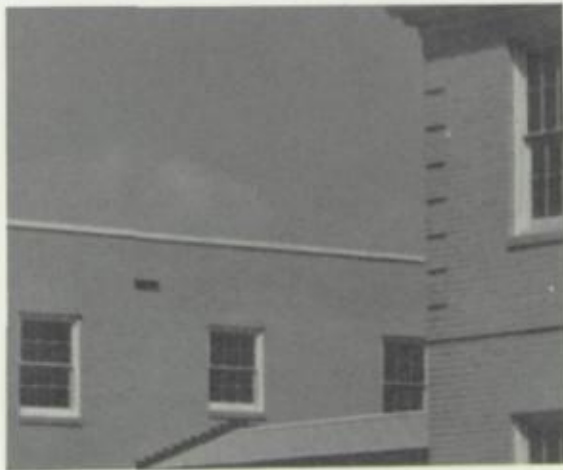

but like her! She was just that type of person."

Sandy's hobbies were dancing, horseback riding, going to the beach, and music.

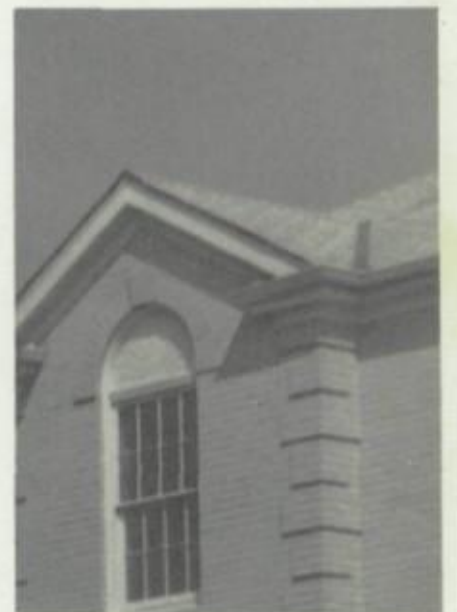

Her favorite saying was, "If you want something bad enough, keep trying and you'll get it."

Sandy was one of eight children in her family. She had no pets, but loved stuffed animals.

WE GOT IT . . .

We have walked the days together with hands united. Searching for ourselves, for others and beginning something new and great was our goal. We have made trials and covered many roads towards our future; towards the future of our school. Look what we have done. The days have now turned into one successful year, filled up with new memories. Years from now, we will never forget, because together we made it something worth remembering.
